

## TOWN OF WHITELAND FEE STRUCTURE

### SANITARY SEWER TAP-ON FEE

Also sometimes known as a "tap-on" or "hook-on" fee. Any user connecting to the sewage works shall pay a connection fee based upon the diameter size of the water meter installed at the premises as follows:

- For each inch or ¾ inch or less size water meter: \$650
- For each water meter larger than ¾ inch but less than 2 inches: \$1,400
- For each 2 inch water meter: \$5,750
- For each water meter over 2 inches: \$10,900

### WATER CAPACITY CHARGE

Each property owner requesting water service shall pay a capacity charge. At the time an application for a building permit is filed, the applicable water capacity charge shall be paid in accordance with the following schedule.

<i>Meter Size (inches)</i>	<i>Phase I/Phase II Capacity Charge</i>
5/8	\$3,000
3/4	\$4,500
1	\$7,500
1-1/2	\$15,000
2	\$24,000
3	\$48,000
4	\$75,000
6	\$150,000
8	\$240,000

### WATER TAP-ON FEE

<i>Tap-on fee</i>	<i>Phase I/Phase II</i>
5/8- and 3/4-inch meter	\$500 plus cost of meter and materials
1-inch	\$1,000 plus cost of meter and materials
Any line or meter in excess of 1-inch	\$2,000 plus the cost of meter and materials

### SEWER AVAILABILITY FEE

Calculated on number of EDU's x \$3,964

### BUILDING PERMIT/IMPROVEMENT LOCATION PERMIT

- **Residential** (New Construction) – Base fee of \$250 + \$0.05 per square foot of building + Final Grade Certification Fee \$250
- **Commercial** (New Construction) – Base fee of \$400 + \$0.05 per square foot of building + Final Grade Certification Fee \$250

For other related fees not listed, please refer to the Town of Whiteland Code of Ordinances.
