Call to Order

- M. Hendrickson called the scheduled meeting to order at 6:00pm.

Roll Call

- Quorum reached.

Minutes from 7-8-26

- J. Dine made a motion to approve the minutes from 7-8-26. B. Collins seconded the motion.

PASSED 3-0

Voucher Packets 8-12-26

- B. Collins made a motion to approve Voucher Packet for 8-12-26. J. Dine seconded the motion.

PASSED 3-0

Financial Reports

- J. Roberts discussed financials.

Old Business - NA

New Business

• Stormwater GIS Mapping/AMP Proposal

- C. Young discussed the quotes received for the GIS Mapping and Asset Management Plan. She requested that the Board consider 2 options. 1. Move forward this year with the GIS mapping and discuss the asset management plan next year. Both projects could be funded through the water depreciation improvement account. 2. Consider doing both and lock in the price.
- C. Young requested to move forward with Crossroads Engineers.
- B. Stahley, Crossroads Engineers, spoke about the project and timeline. If the contract was signed now, they'd honor the pricing through 2029 to complete the work.
- B. Collins made a motion to authorize the contract with Crossroads Engineers for both the GIS Mapping and Asset management plan and delegate authority to the Town Manager, pending legal review.

PASSED 3-0

MS4 Coordinator – Brian Kramer

• Construction and Post Construction Inspection Update

- B. Kramer discussed monthly construction and post construction inspections. He also discussed his reporting of rainfall events.

• Street Sweeping Proposal

- B. Kramer discussed a street sweeping proposal. IDEM requires the Town to street sweep the roads to help maintain the storm inlets and curbs. He explained that the Town's street sweeper was damaged in the tornado. He reached out to a contractor that can do it for \$13,200 per sweep plus the dumping cost. The Town could potentially do it in the fall and then reassess on when it's needed next. Typically, this is done 2 times a year.

- J. Dine made a motion to authorize the Town Manager to enter into a one-time contract with Precision Sweeping. B. Collins seconded the motion.
- PASSED 3-0**

Public Comment

Meeting adjourned at 6:27pm.

Passed by the Stormwater Management Board on this day 9 of September, 2026.
